11-4 measures of center ANSWER

HW: #2-22 evens

(2) mean = [illegible]
median = [illegible]
mode = none
range = [illegible]

(4) D

(6) mean = 12.8
median = 11
mode = none
range = [illegible]

(8) mean = [illegible]
median = [illegible]
mode = [illegible]
range = [illegible]

(10) none:
[illegible]
2 or fewer [illegible]
the other [illegible]
large number of [illegible]

(12) mean = 24.7
median = [illegible]
mode = 21
range = [illegible]

(14) Calculations [illegible] measures of center [illegible] greater than those measures for parrots.

(16) mean = [illegible]
median = [illegible]
mode = no change
range = [illegible]

(18) [illegible]
[illegible]
[illegible]
[illegible]
the median.

(20) [illegible]
sample [illegible]
mean = [illegible]
median = [illegible]
mode = [illegible]

(22) C
mean = [illegible]
median = [illegible]
mode = [illegible]
range = [illegible]
