## Help with Cell Phones:

Our catch phrase that we use at WSMS regarding cell phones during the school day is,

social media activity is also greatly appreciated! There are times when scholars may need to access their devices for family reasons or even in instructional settings, and we encourage speaking with an adult if such out the day for non-instructional reasons. We will continue to remind scholars of this expectation throughout their school day. If scholars post inappropriate content on social media, please report the account for review.

Some families have inquired about apps that can restrict various features on cell phones for scholars throughout the day so that they are not on social media and are not tempted to engage with others through social media platforms. Here are some tips we have given families: **NY Times Article:** [The Best Apps for Managing Your Kids Phone](#); [Support for Apple](#); [Support Google](#); [Family Time Article & Tips](#); [Verizon Support](#).

## Picking Up Scholars:

Per Oregon law, *an approved adult is required to sign out any scholar* who leaves campus before the end of the school day. Our office has been experiencing heavy family traffic prior to our 3:45pm dismissal, due to daily early pick-ups. If possible, we ask that you avoid picking up your scholar between 3:15pm-3:45pm as you will not find parking, and our office staff is limited in the afternoons. Any planning around that time frame is appreciated.

## COVID-19 Updates:

There was one COVID-19 case reported this week who had been *on campus*.
