

SEESsurvey Participation Form

PARENTGUARDIANRIGHTS FOR SURVEY PARTICIPATION

Oregon law (House Bill 2656) permits parents or guardians to decline, either verbally or in writing, to have their student participate in the SEED Survey. The school shall provide any student who is excused from participating in the SEED Survey with supervised study time (or another learning activity) while other student are completing the survey.

- x If you would like your student to participate in the SEEDvey, no further action is required.
- x If you do not want your student to participate in the SEEDvey, please complete one of the options below.
 - o To help you student's school efficiently plan, pleasebmit this form or contact your student's school at least one day prior to the first day of survey administration.
