Authorizing Application for Matching Funds from the Public Employee Retirement System  
Employer Incentive Fund

- A. In 2018, the Legislature (SB 1049) established a 25% matching fund to encourage employers to prepay their future pension obligations. Public Employee Retirement System (PERS) will accept matching fund applications from all members as of December 2, 2019. Portland Public Schools will qualify to apply on December 2, 2019.
- B. Employers lump-sum payments are deposited in side accounts at PERS and invested alongside regular pension assets. If payments are made before December 31, 2019, they will provide an offset pension contribution in the 2021-23 biennium.
- C. From 2011 to 2017, Portland Public Schools has accumulated approximately \$9.5 million credit with PERS from its side account.

The Board authorizes Portland Public Schools to apply for Public Employee Retirement System (PERS) Matching Funds from the Employer Incentive Fund (EIF), matching a total of approximately \$9.5 million from the side account refund Portland Public Schools received from PERS. The side account refund and matching funds would be reinvested in a PERS side account to lower future pension obligations.
