*On advice from the Oregon Health Authority and the Oregon Department of Education, the School Board Leadership has made the decision to all January meetings of the Board of Education to be hybrid, with members of the public participating virtually. These extra mitigation efforts are in place to help reduce the spread of COVID so that districts can prioritize in-person learning for students. This guidance includes the recommendation that schools hold events (parent/family conferences, fundraisers, etc.) online, rather than in-person. Community members may view those meetings live through the following link <https://www.youtube.com/user/ppskomms/live>
