RESOLUTION No. 6058

Resolution Authorizing Grant Bowl Master Plan

RECITALS

- A. In the original plans for the modernization of Grant High School, the project team identified a location in the field north of the school, "Hollywood Field," to be developed as a competition softball field to be used by the High School teams. During the design process it was determined that this location was not a good selection for softball and the field was removed from the project.
- B. On October 9, 2018, the Board held a work session to review four options to locate softball near to or adjacent to Grant High School. All options located the field on Portland Parks and Recreation property. The options included:
 - 1. Softball located in Grant Bowl.
 - 2. Softball in the North Field (original location)
 - 3. Softball in the upper field (this did not include lights or expanding the field)
 - 4. Softball at Wilshire Park (PPS would upgrade the fields).
- C. Staff recommended Option 1, placing the softball field within Grant Bowl and adding lights and bleachers to extend practice time and allow for home games for all sports. A Board
