The BAC was established by the Board of Education prior to the November 6, 2012 passage of ballot measure 26-144 Portland Public School District Bonds To Improve Schools. The BAC is an independent group of citizens from the community charged with quarterly reviewing reports and annual audits of how the bond dollars are being spent to provide accountability to the public until construction is complete.

This meeting may be taped and televised by the media.

A request for an interpreter for the hearing impaired or for other accommodations for persons with disabilities should be made at least 48 hours before the meeting to the Board at 503-916-3741.
