**RESOLUTION No. 6049**

Annual Multnomah Education Service District Resolution Process

**RECITALS**

- A. The 2020-21 Multnomah Education Service District (“MESD”) Local Service Plan (“LSP”) is essentially an annual menu of options offered to the MESD Superintendents’ Council for the Council’s review, modification(s), and approval.
- B. The services offered in the LSP require approval of the component districts’ boards by March 1, annually. The Services offered in the LSP must be developed by the District Service Board, 1.1 (S)-9.8 ( d)-12.3 (B) will be included in the 2020-21 budget development process.
- D. The actual selection and use of resolution funds to pay for selected services remains at the discretion of each individual district. This Resolution does not commit Portland Public Schools to each of the specific services offered by MESD; it affirms the overall services offered to all of the local component districts and contains the terms of the LSP offered by the MESD.

**RESOLUTION**

- 1. The Board of Directors of Portland Public Schools, School District No. 1J, Multnomah County, Oregon, agrees to the conditions and provision of all programs and services, described in the 2020-21 Local Service Plan – Multnomah Education Service District with no exceptions.
- 2. In the event that the required resources are not available, each and every program and service is subject to reduction or elimination at the discretion of the Multnomah ESD Board. If such reductions or eliminations are necessary, they will be made through contingency planning in cooperation with the Superintendents of the local component districts.
