community. The next phase of engagement centered on connecting with staff members about what they perceive as benefits and barriers for students within the year-round model.

December 2019: A school-wide staff session was facilitated by Principal Welton and

Shanice Clarke, Director of Community Engagement, on December 3, 2019 during the regularly scheduled staff meeting. The themes were brought back to the Rosa Parks

In addition to community engagement, student performance data was also used to analyze the

needed to serve the community by offering the extended day programming for the

To implement the additional SFIN program, the Office of Student Support Services will work
