Portland Public Schools Budget Process		
A budget process is a series of steps that lead to the final budget. It begins with the development of a proposed budget and ends with the adoption of the final budget.		
The budget process is a collaborative effort involving many different departments and stakeholders. It is a continuous cycle that involves planning, drafting, reviewing, and refining the budget over time.		
The budget process is designed to ensure that the budget is fair, transparent, and representative of the community's needs and priorities.
