# Enrollment Policy & Legacy Revisions

Our enrollment  
policy is being  
revised to foster  
racial equity &  
social justice.

PPS is providing families and students the ability to reflect on board policies, focusing on efforts that serve our most underserved students.

# Focus Areas of Revision

- A. Student Assignment to Neighborhood Schools. When assigning students to schools, PPS should recognize and define the demographics of students to minimize disruptions. 4.10.045-P
- B. Student Enrollment and Transfers. The board seeks to ensure equitable admission practices, stability during the academic year, and prioritize low-income families over siblings. *Does not apply to alternative schools* 4.10.051-P
- C. Educational Options. Outreach to families can uplift equitable access to neighborhood schools, programs, focus options, alternative schools, and charter schools. 6.10.022-P
- D. The Legacy Rule. Younger siblings living in a neighborhood approved for a boundary change have a guarantee through the transfer process to attend the former neighborhood school if an older brother or sister currently attends and will be attending the former neighborhood school the following school year. 4.10.045-P. |
