

3.50.067-AD Academic Requirements

- (1) **Number of Subjects Passed or Passing.** To be eligible to participate in interscholastic sports contests, a student shall have been in regular attendance, enrolled in and doing passing work in five (5) full and regular subjects at the close of the preceding semester, as well as the current semester. Only one of the five required courses may be earned during the summer or in a private alternative program. A full and regular subject is one for which a full unit of credit is given. The principal will check athletic eligibility at the end of each grading period, and any student who is deficient at that time shall be declared ineligible until such deficiency is corrected.
- (2) **Academic Requirements.** In addition to the OSAA requirements, eligibility in Portland Public Schools to participate in interscholastic contests will be determined according to the academic requirements set forth in the chart below:
