

Board Policy

4.10.020-P

Compulsory Enrollment; Age and Grade Level at Entrance

All children between the ages of

- a) **Preschool:** A child is eligible to apply for Preschool if their third birthday occurs on or before September 1.
 - b) **Pre-Kindergarten:** A child is eligible to apply for Pre-Kindergarten if their birthday occurs on or before September 1.
 - i) A child whose fifth birthday occurs on or before September 1 may enroll in Kindergarten if they have not successfully completed a kindergarten program.
 - ii) If the parent/guardian wishes, a student who has been enrolled in Kindergarten outside of PPS may be placed in Kindergarten when entering the District during the school year, even if their birth date occurs after September 1.
 - d) **First Grade:** A child will be admitted to the first grade if their sixth birthday occurs on or before September 1, or with evidence of successful completion of a kindergarten program.
 - i) A child whose sixth birthday occurs after September 1 who has been enrolled in first grade outside of PPS will be placed in first grade when entering the District during the school year.
- 2) **Second through Twelfth Grade:** A student newly enrolling in PPS will be assigned to a grade based on their prior school experience:
- a) A student who has successfully completed a grade level will be enrolled in the next grade level when entering the District at the start of a school year.
 - b) A student who has been enrolled in a grade level outside of PPS will be placed in that same grade level when entering the District during the school year.
