## ARCHITECTURAL / PROPERTY DESCRIPTION

(Include expanded description of the building/property, setting, significant landscape features, outbuildings, and alterations)

Description Summary

Situated in northeast Portland, Roseway Heights School is located at 7334 NE Siskiyou Street. The two story school building (254A) rests on a poured concrete foundation. The primary construction system is reinforced concrete. Parapets located on the flat roof mask the skylights and mechanical systems. The school features a variety of architectural styles including Collegiate Gothic embellishments on the central bay of the east elevation, Mediterranean embellishments on the north and south bays of the east elevation, and a contemporary hybrid of the Mediterranean and Moderne styles on the west elevations.
