RESOLUTION No. 5024

Resolution to Recognize Classified Employees
Appreciation Week March 2-6, 2015

RECITALS

- A. Portland Public Schools' Classified employees are essential members of our educational team. From the moment students step on a school bus each weekday morning, their learning experience is shaped by members of our Classified staff. On the front lines and behind the scenes, the men and women of our Classified staff are in a unique position to influence our school communities. They create a positive learning environment for our students by assisting them in the classroom; preparing and serving meals; caring for their physical needs; transporting them; keeping them safe, and aiding their families. Classified staff keep our administrative and school offices humming; attend to our buildings and grounds; help us communicate with each other and our community; shepherd supplies and equipment, and because of this vital and integral role, we are grateful for their work and support.
- B. The Board of Education for Portland Public Schools acknowledges and applauds Portland Public Schools' Assistive Tech Practitioners, Attendance Monitors, Book Clerks, Bookkeepers, Bus Drivers, Campus Monitors, Clerks, Community Agents, CNA's, Custodians, Educational Assistants (ESL, Headstart, Gen Ed), Food Service Assistants, Instructional Tech Assts., Library Assistants, Licensed Physical Therapists (LPTA), Certified Occupational Therapy Assistants (COTA), Maintenance Workers, Nutrition Services, Orthopedic Equip Techs, Occupational and Physical Therapists, Para Educators (Special Ed), Secretaries, Security Techs, Sign Language Interpreters, and Transportation Route Schedulers.
- C. For their efforts on behalf of the more than 47,000 students in Portland Public Schools, the classified employees deserve our collective recognition and thanks.

RESOLUTION

- 1. Be it resolved that the Board of Education declares March 2-6, 2015 Classified Employees Appreciation Week in recognition of the many daily services provided to enrich and support students in Portland Public Schools toward their highest achievement possible.
- 2. Be it further resolved, that the Board encourages the Portland Public Schools community to join in honoring Classified Employees for their impact on our students.

RESOLUTION No. 5026

Inter-District Transfer Procedures for 2015-16 School Year

RECITALS

- A. Each year, PPS responds to more than 1,000 requests for interdistrict transfers, both for students who live within the PPS boundary to attend schools in other districts and for students from other districts to attend schools here. During the 2013-14 school year, nearly 800 non-resident students attended PPS schools with the approval of their resident district through the standard interdistrict transfer process.
- B. In June 2011, the Oregon Legislature approved House Bill 3681, which offered a new option for enrolling students from other districts, commonly referred to as "Open Enrollment". The new option allows a district to accept non-resident students without consent of their resident district. It requires:
- A spring timeframe for announcing space, accepting applicants, running a lottery (if more applicants than space) and providing results,
 - Approval through 12th grade, without the need for annual renewal, that cannot be revoked by the non-resident or resident district,
 - Resident applicants must be accepted before non-resident applicants,
 - No weighting, preference or denial can be given based on student demographics, including race, gender and family income level, or special program status, including disability, English language proficiency or athletic ability.
- C. By March 1, 2015, the School Board must determine whether PPS will participate in the "Open Enrollment" option for the 2015-16 school year. If the district chooses to participate, PPS must also announce the spaces available by school on that date.
- D. 340 PPS resident students have transferred to other districts through open enrollment in the three years since the program was initiated. The majority were student who had been approved by PPS to attend another district in the prior year, or who had been paying tuition at other schools.
- E. Participating in "Open Enrollment" has the potential to offset enrollment loss of students approved to other districts. Because resident applicants must be accepted before non-residents, open enrollment could destabilize efforts to balance enrollment between PPS schools, and are not aligned with recent revisions to enrollment and transfer policies approved by the PPS school board of directors.
- F. Superintendent Smith recommends that PPS opt-out of the "Open Enrollment" program for the 2015-16 school year.

RESOLUTION

1. The Board of Directors for Portland Public Schools accepts the Superintendent's recommendation to continue to offer our existing system for non-resident students to access PPS schools and to opt out of the interdistrict transfer option known as "Open Enrollment" for the 2015-16 school year, as provided through House Bill 3681.
