#### TRANSPORTATION INTERGOVERNMENTAL AGREEMENT

Justin Dollard, Project Manager, presented the item. The Intergovernmental Agreement with Portland will create safer routes for PPS students. The District cost would be limited to \$5 million.

Director Buel questioned how we evaluate the various routes to school. Mr. Dollard responded that there is a process where a concern is raised, a Transportation Safety Evaluator reviews the concern; a response

#### COMMUNITY ELIGIBILITY PROVISION

Tony Magliano, Chief Operating Officer, provided the report on the new federal program called the Community Eligibility Provision (CEP). The intent of the CEP is to improve students' access to free school meals in high poverty schools and to eliminate the burden for families who are required to complete complicated income applications on an annual basis. The District will be implementing the program in 23 schools, and the program will be assessed on an annual basis.

#### **BUSINESS AGENDA**

The Pearson contract was pulled.

John Richardson stated that ODE had found PPS out of compliance with the minimum state instructional hours. PPS was required to submit a Corrective Action Plan (CAP), and the Parents Coalition has concerns about the proposed plan. The plan is incomplete as it does not contain information on instructional hours. PPS has not committed to the agreement they signed with the Parents Coalition.

Director Regan moved and Director Buel seconded the motion to pull Resolution 4937 for a separate vote. The Board voted 6-0 to vote on the resolution separately. Director Regan moved and Director Buel seconded the motion to add a third criteria to the audit. The Board voted 6-0 to add the amendment.

Director Buel commented that there was another grievance coming forward from the Portland Association of Teachers around the Corrective Action Plan. Co-Chair Knowles ruled that the PAT grievance was not related to the CAP.

- G. Despite undergoing heavy budget cuts, in the past four years, PPS's overall graduation rate has increased 14 percentage points from 53% to 67%
- H. Strong schools need stable funding to enable staff and student support to focus on continued improvement in education for all students.
- I. PPS has focused resources on the classroom, spending 75 percent of its budget on teachers, textbooks and school staff, as measured by the Oregon Department of Education's Database Initiative. Only 4 percent of the PPS budget pays for central administration, lower than half the average in other large urban school districts (8 percent).
- J. PPS has exercised strong financial management over benefits costs, with all employees paying a share of health care premiums and all employees paying the 6 percent contribution into their retirement plans (a cost picked up by many public employers), and by refinancing the district's PERS retirement obligations to save millions of dollars each year.
- K. In 2011, Portland voters recognized the importance of having strong schools, with lower class sizes and strong educational programs by approving a local option levy to fund PPS schools.
- L. The PPS Citizen Budget Review Committee has affirmed, in annual reports to the PPS Board of Education, that local option funds have primarily been used to fund hundreds of teachers and maintain or lower class sizes.
- M. The local option levy provides funding equivalent to the cost of over 600 teaching positions. This is vital to reducing and maintaining class sizes for students.
- N. While the legislature recently increased its investment in K-12 education, these investments have only made a small reduction in the gap described by the Quality Education Model. More investments are needed to continue to lower class size, rebuild programs, and add school days for students.

- O. In 2012, PPS became aware of a state law that allowed local urban renewal districts to retain a portion of voter-approved local option levy funds rather than the approved purpose of funding schools. Currently, approximately \$7.5 million of the local option school levy goes to fund urban renewal rather than educational programs.
- P. To fix this problem, PPS worked with other school districts, teachers and supporters of important services to successfully advocate for a change to state law to close this loophole and ensure more funds go to purpose voters intended. The 2013 Legislature approved legislation ensuring that voter funds from approved local option levies go to their intended purpose. The new law applies to local option levies approved after January, 2013
- Q. If voters renew PPS' local option levy approximately \$4 million more each year will go to the intended purpose of funding schools and educational programs instead of urban renewal, without raising taxes.
- R. All funds raised under this proposed levy will be used exclusively for Portland students in PPS schools; and none of the funds will go to the state for distribution under the state school funding formula.
- S. This local option levy requires independent oversight by the Citizens Budget Review Committee to ensure that tax dollars are used only for purposes approved by local voters.

## RESOLUTION

- 1. The Board shall ask voters to approve a five-year local option levy in in November 2014 that would provide an estimated \$64.3 million in 2015-2016; \$66.2 million in 2016-2017; \$68.2 million in 2017-2018; \$70.2 million in 2018-2019; and \$72.3 million in 2019-2020.
- 2. The money shall be primarily used to fund teaching positions, maintain or lower class size, and fund

The renewed local option levy will:

- 1. Primarily fund teaching positions.
  - x This will help protect & maintain class sizes that permit more individual attention for students;
  - x Funds help to maintain a well-rounded program, with enrichments for elementary and middle grades and electives in varied interest areas and disciplines for high school students.
  - x If approved, levy will provide funding equivalent to 640 teaching positions.
- 2. Continue to provide fiscal accountability and taxpayer oversight:
  - x This renewal maintains the existing local option levy rate of \$1.99 per \$1,000 assessed value and ensures that all funds raised are directed to the voter-approved purpose of supporting schools.
  - x This renewal provides approximately \$4 million more to schools each year without increasing taxes.
  - x This local option requires independent citizen oversight to ensure that tax dollars are used only for purposes approved by local voters.

Since this local option levy replaces the one passed by voters in 2011, Portland Public Schools Board of Education will not collect the final year of the current levy, maintaining the existing tax rate.

5. The Board approves using approximately \$1,021,000 from the bond program reserve, previously identified in Resolution No. 4840, to support the Roosevelt High School project.
