RESOLUTION No. 6058

Resolution Authorizing Grant Bowl Master Plan

RECITALS

- A. In the original plans for the modernization of Grant High School, the project team identified a location in the field north of the school, "Hollywood Field," to be developed as a competition softball field to be used by the High School teams. During the design process it was determined that this location was not a good selection for softball and the field was removed from the project.
- B. On October 9, 2018, the Board held a work session to review four options to locate softball near to or adjacent to Grant High School. All options located the field on Portland Parks and Recreation property. The options included:
 - 1. Softball located in Grant Bowl.
 - 2. Softball in the North Field (original location)
 - 3. Softball in the upper field (this did not include lights or expanding the field)
 - 4. Softball at Wilshire Park (PPS would upgrade the fields).
- C. Staff recommended Option 1, placing the softball field within Grant Bowl and adding lights and bleachers to extend practice time and allow for home games for all sports. A Board Subcommittee appointed by the Board Chair to review options supported this recommendation. The Office of School Modernization was directed to complete a Master Planning process using Option 1.
- D. As part of the Master Planning process, a Master Planning Advisory Group (MPAG) was convened in September 2019; it was comprised of representatives from Portland Parks and Recreation, Portland Public Schools, Grant High School and Portland Interscholastic League. The group held three advisory meetings and two community workshops between October and December 2019.
- E. The project team has developed a base proposal ("Base Master Plan") with competition and practice softball fields located in Grant Bowl. This option reflects the option recommended by staff and the Board subcommittee in October 2018. This option would perform improvements only on the Grant Bowl site and would not make any changes to the Upper Field.
- F. The project team has also developed an alternative proposal ("Alternate Master Plan"), based on new considerations about how softball could be placed in the Upper Field. This option places competition softball in the Upper Field, while keeping a practice softball field in the Grant Bowl. This option would perform improvements on both the Grant Bowl and the Upper Field.
- G. The MPAG recommended the Alternate Master Plan as the preferred option.
- H. PPS also received a complaint in 2019 under Title IX about the location and condition of the softball field. Pursuing the Alternate Master Plan as a phased approach will also allow PPS to address the Title IX complaint in a timely manner, utilizing existing funding resources.
